		5- Gray Snapper B	2015	
		FWC Assessments:		
		1- Yellowtail Snapper U	2014	May 2016

Assessments are listed in order of priority. Please note that some assessments, like red snapper and king mackerel, require two slots due to the nature of the stock structure. Additionally, the SEFSC will advise the Council with respect to the feasible number of assessments that can be conducted within a given year.
