

## **Modifications to the Project Planning Grid from the September 2019 Steering Committee Report**

### South Atlantic Assessment Modifications:

- Red Snapper OA – This assessment was moved to earlier in the grid as the SEFSC indicated they could begin it in 2020 and have it completed by April 2021
- Scamp OA - Legend color changed from Green to Orange as it still needs to go through scheduling with SEFSC
- Gray Triggerfish RT, Blueline Tilefish OA, Vermilion OA – Legend color changed from Blue to Yellow as it needs to be finalized during the current meeting

### Gulf of Mexico Assessment Modifications:

- Scamp OA - Legend color changed from Green to Orange as it still needs to go through scheduling with SEFSC
- Yellowedge Grouper OA - Legend color changed from Blue to Yellow as it needs to be finalized during the current meeting

### Caribbean Assessment Modifications:

- Species suggested for 2022 - Legend color changed from Blue to Yellow as it needs to be finalized during the current meeting

### HMS Assessment Modifications:

- Hammerhead RT – Legend color changed from Green to Orange as it still needs to go through scheduling with SEFSC

### FL FWCC Assessment Modifications:

- Mutton Benchmark – Assessment start was moved later in the grid as the lead agency indicated they could not start until the second half of 2021 due to other responsibilities
- Hogfish Benchmark - Legend color changed from Blue to Yellow as it needs to be finalized during the current meeting; assessment start was moved later in the grid due to modification to the mutton benchmark timing
- Black Grouper Benchmark - assessment start was moved later in the grid due to modification to the previous benchmark timing

### Commission Assessment Modifications:

- ASMFC Menhaden OA – New request from the Commission to conduct an OA in 2022
- ASMFC Red Drum OA – Assessment moved to 2024 per the request of the Commission

### CMP Assessment Modifications:

- Gulf Spanish mackerel - Legend color changed from Blue to Yellow as it needs to be finalized during the current meeting
