

## **Modifications to the Project Planning Grid from the February 2026 Steering Committee Meeting**

### **Caribbean Assessment Modifications:**

- S103 extended into mid 2027 to reflect May 2027 Review Workshop

### **South Atlantic Assessment Modifications:**

- S108 added to BSB and changed from pink to green to reflect it has been given a SEDAR component and subsequently a SEDAR number

### **Gulf Assessment Modifications:**

- S99 extended into 2027 to reflect the decision of the lead assessment agency to add in Mexican landings and have a SEDAR coordinated Review Workshop
