

SEDAR 71
South Atlantic Gag
Workshop Document List

Document #	Title	Authors	Date Received
Documents Prepared for SEDAR 71			
SEDAR71-WP01	An Update to Gag Grouper (<i>Mycteroperca microlepis</i>) Calendar Age Calculations	Andrew D. Ostrowski, C. Michelle Willis, Keilin Gamboa-Salazar, and Margaret W. Finch	10/22/2020
SEDAR71-WP02	Standardized video counts of Southeast U.S. Atlantic gag (<i>Mycteroperca microlepis</i>) from the Southeast Reef Fish Survey	Rob Cheshire and Nathan Bachele	10/2/2020
SEDAR71-WP03	Gag Grouper (<i>Mycteroperca microlepis</i>) Reproductive Parameters in Support of the SEDAR 71 Assessment	Keilin R. Gamboa-Salazar, Dawn M. Glasgow, and David M. Wyanski	10/20/2020
SEDAR71-WP04	Gag Fishery-Independent Index of Abundance and Age/Length Compositions in US South Atlantic Waters Based on a Chevron Trap Survey (1990-2019)	Dawn M. Glasgow and C. Michelle Willis	10/9/2020
SEDAR71-WP05	General Recreational Survey Data for Gag in the South Atlantic	Vivian M. Matter and Matthew A. Nuttall	10/13/2020
Final Assessment Report			
SEDAR71-SAR1		Prepared by SEDAR	
Reference Documents			
SEDAR71-RD01	Relative survival of gags <i>Mycteroperca microlepis</i> released within a recreational hook-and-line fishery: Application of the Cox Regression Model to control for heterogeneity in a large-scale mark-recapture study	Beverly Sauls	5/14/2020
SEDAR71-RD02	Effects of age and size on spawning and egg production in gag and scamp grouper off the southeastern United States	Keilin R. Gamboa-Salazar, David M. Wyanski, Walter J. Buble, and Nikolai Klibansky	5/26/2020

SEDAR71-RD03	Life history of juvenile gag, mycteroperca microlepis, in north carolina estuaries	Steve W. Ross and Mary L. Moser	10/28/2020
SEDAR71-RD04	Snapper Grouper Advisory Panel Fishery Performance Report for Gag September 2020	SAFMV Snapper Grouper Advisory Panel	11/3/2020
