

**SEDAR 95
Atlantic Migratory Cobia
Document List**

Document #	Title	Authors	Date Submitted
Documents Prepared for the Data Workshop			
SEDAR95-DW-01	Standardized Video Counts of Southeast US Atlantic Cobia (<i>Rachycentron canadum</i>) from the Southeast Reef Fish Survey	Lew Coggins, Nathan Bacheler, Kyle Shertzer, and Erik Williams	29 April 2024
SEDAR95-DW-02	General Recreational Survey Data for Atlantic Cobia	Samantha M. Binion-Rock	13 June 2024
SEDAR95-DW-03	HB Survey	Rob Cheshire	
SEDAR95-DW-04	Estimated Commercial Discards of Cobia (<i>Rachycentron canadum</i>) for the Gillnet Fishery Using Limited Observer Data	Sarina Atkinson	July 2024
SEDAR95-DW-05	Estimated Commercial Discards of Cobia (<i>Rachycentron canadum</i>) for the Vertical Line Fishery Using Limited Observer Data	Sarina Atkinson	July 2024
SEDAR95-DW-06	Cobia Fishery-Independent Index of Abundance and Length/Age Compositions in US South Atlantic Waters Based on the Coastal Trawl Survey (1990-2023)	Tracey Smart	23 August 2024
SEDAR95-DW-07			
SEDAR95-DW-08			
SEDAR95-DW-09			
Documents Prepared for the Assessment Process			
SEDAR95-AP-01			
SEDAR95-AP-02			
SEDAR95-AP-03			
SEDAR95-AP-04			
Documents Prepared for the Review Workshop			
SEDAR95-RW-01			
Final Stock Assessment Reports			
SEDAR95-SAR1	ASMFC Cobia	SEDAR 95 Panels	
Reference Documents			
SEDAR95-RD01	Improving Life History and Genetic Data for Cobia Along the US South Atlantic Coast	ASMFC Contract Number: 21-0102	

SEDAR 95
Atlantic Migratory Cobia
Document List

SEDAR95-RD02	Contemporary and future distributions of cobia, <i>Rachycentron canadum</i>	Daniel P. Crear, Brian E. Watkins, Vincent S. Saba, John E. Graves, Douglas R. Jensen, Alistair J. Hobday, Kevin C. Weng
SEDAR95-RD03	Evaluation of the stock structure of cobia (<i>Rachycentron canadum</i>) in the	M Perkinson, T Darden, M Jamison, MJ Walker, MR Denson
	southeastern United States by using dart-tag and genetics data	
SEDAR95-RD04	Combining acoustic telemetry and pop-up satellite archival tagging to improve data on cobia (<i>Rachycentron canadum</i>) migratory behavior and stock structure	Aaron M. Watson, Matt Perkinson, Tanya Darden, Michael R. Denson, Michael Arendt, Eric Reyier, Chris Kalinowsky, Steve Poland, Jim Whittington, Joy Young
SEDAR95-RD05	Estimating Shifts in Phenology and Habitat Use of Cobia in Chesapeake Bay Under Climate Change	Daniel P. Crear, Brian E. Watkins, Marjorie A. M. Friedrichs, Pierre St-Laurent and Kevin C. Weng
SEDAR95-RD06	Using Acoustic Telemetry and Population Genetics to Investigate Cobia Stock Structure in the Southeast U.S.	Riley Gallagher
SEDAR95-RD07	Investigating the seasonal migration of Cobia (<i>Rachycentron canadum</i>) and the influence of temperature on movement ecology	Hannah M. Gottesman
SEDAR95-RD08	Restricted connectivity for cobia <i>Rachycentron canadum</i> (Perciformes: Rachycentridae) in the Western Atlantic Ocean	Maria Raquel M. Coimbra, Emilly Benevides, Renata da Silva Farias, Bruno C. N. R. da Silva, Sara Cloux, Vicente Pérez-Muñuzuri, Manuel Vera, Rodrigo Torres
SEDAR95-RD09	Movements, habitat utilization, and post-release survival of cobia (<i>Rachycentron canadum</i>) that summer in Virginia waters assessed using pop-up satellite archival tags	Douglas R. Jensen and John E. Graves
SEDAR95-RD10
